

Hog Houses Are Money Makers

They mean healthier hogs—two litters a year as easy as one and larger litters. Feeding is easy when your hogs are properly housed. You make more money with less effort and less worry. And the most economical Hog House is covered on the outside with

WHITE PINE

because WHITE PINE buildings endure with little or no repair—and add permanent value to your farm. Besides you'll find it a pleasure to work with WHITE PINE. It is so light to handle and its soft, smooth grain makes it easy to work. Practical working plans, specifications and a complete bill of material necessary for the above Hog House or for any other farm building will be furnished free on request, together with our estimate of the cost. Our "build by plans" method saves time and money. Come in and let us tell you about it.

4th OF JULY MONEY

Do you want to get some extra money for Fourth of July expenses? If you do, sell your waste, such as old Rubber, Scrap Iron, Rags and Metals to E. Berman & Son, and you will have the necessary coin.

Old Waste is Helping to Win the War

The munition makers are using tons and tons of old waste daily in the manufacture of material to defeat the Huns. Do your share by selling to the junk man all you have.

If you have a large enough amount we will call with our truck and get it.

OBITUARY

Albert J. Fishbeck died at the home of his daughter, Mrs. Nellie Woodward, Plum Ave., at 6:30 a. m. Tuesday, June 4, aged 67 years. He was born in Clinton county, Mich., on Feb. 26, 1851, and was well known around St. Louis and St. Johns as a pioneer in these districts and a life-long resident. He spent about twelve years in Oregon and returned to Alma two winters ago. He was ailing all winter and two months ago his trouble became serious. Mrs. Nellie Woodward is his only living child. His brother, Charles, is living at Bruce, Alberta, Canada. Four granddaughters and eight nephews survive. The funeral service was held in Eastminster chapel on Wednesday morning, June 7. The minister, Rev. Robert Grierson, preached the funeral sermon from the text, "Like as a father unto his children so the Lord pitieth them that fear Him." The floral offerings were beautiful and the songs, by special request, were touchingly rendered by Miss Margaret Moore and Miss Bradner, a relative of the deceased. Interment was made at St. Louis.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by this condition, which is an inflamed condition of the mucous surface. Hall's Catarrh Cure acts thru the blood on the mucous surface of the system.

We will give One Hundred Dollars for any case of Catarhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Druggists, 75c.

Good Things To Eat

No people on the face of the globe have lived so high as Americans. This is due in no small part to the intelligence and ability of the American housewife and her very commendable desire to provide good things for her family to eat.

Because of the shortage in last year's wheat crop our menus have all been more or less upset.

However, there is no occasion for worry. We shall have plenty to eat and we can trust the American housewife to see that it is something good.

Many really delicious eatables can be easily made from

Rowena Corn Meal

"It's Bolted and Sterilized"

There is the good old fashioned Johnny Cake.

If you ever lived on a farm you have certainly eaten Johnny Cake and milk. You bet it tasted good.

Then there is Corn Meal Muffins, Corn Fritters, Corn Gems, Fried Mush with maple syrup, Corn Bread, etc.

These baked goods are all palatable as well as very nutritious and materially aid in the conservation of wheat flour.

You will be assured of better results by the use of Rowena Corn Meal. It is made particularly for home use.

The quality is splendid.

Corn Bread Recipe

- 1 1/2 cups milk and water
- 1/2 cake compressed yeast, or
- 1 1/4 cup milk and water
- 1 1/4 cup liquid yeast
- 1 1/2 teaspoon salt
- 1 tablespoon sugar
- 1 tablespoon fat
- 1 cup Rowena Bolted Corn Meal
- 2 cups Lily White Flour

Scald 1 1/4 cups of the liquid and pour over corn meal, salt, sugar and fat. The liquid is sufficient only to soften the meal a little. Allow mixture to cool to lukewarm, add the flour and yeast mixed with the remainder of the liquid. Knead thoroughly and let rise until it doubles its bulk, make into a loaf, allow to rise and bake in a moderate oven 45 to 50 minutes.

When making yeast rolls add 1 cup of bolted corn meal to the sponge with the shortening, then finish with white flour.

Sole Manufacturers

Lily White Flour, "Yes, Ma'am" Graham Flour, Granena Whole Wheat Flour, Rowena Rye Flour, Rowena Corn Meal, and other cereal specialties.

NOTE—We have created a Domestic Science Department to aid in informing the public of the most efficient manner of using wheat flour substitutes. Demonstrations and lectures may be arranged by Women's Societies and Clubs by taking subject up with this department. Thoroughly practical and proven recipes will be furnished upon request, the entire service being rendered without charge.
